OTHER (Please specify)

OTHER (Please specify)

SUGGESTED ROADWAY IMPROVEMENTS

Please list roadways, locations, and any suggested improvements to improve safety, operational efficiencies, or capacity needs based on you and your drivers' experiences.

All Information is Confidential. Your data will not be shared individually, but rather combined with other data in an aggregated form for use in a TXDOT/TTI (Texas Transportation Institute) Study aimed at more accurately reflecting trucking data, daily miles traveled, to ultimately increase funding levels for the region.
